Product Bulletin #00124

Subject: 8405/6 Series Gear Code Obsolescence

Date: May 13, 2024

URL: www.munciepower.com

Effective immediately, the following 8405/6 Series input gear code will be obsoleted.

8405/6 Input Gear Code	Input Gear P/N
8406*07	03T39438

This gear code is no longer available in an assembly. There is not a direct replacement available for this gear code within the 8405/6 Series. In some cases, the application can still be serviced via another PTO series.

Service parts of these gears will be available until stock is depleted. Product literature will be updated to reflect these changes.

Contact Muncie Power's customer service for more information.

PTO assemblies: Muncie Power Products will NOT consider parts or units returnable without prior review and authorization.
