

FA6B Series PTO

Muncie's new FA6B Series PTO allows for mounting on a narrow frame chassis. The FA6B-I84 is designed for the Leftside opening of the Isuzu NPR chassis with Aisin A460 but will also mount to the standard I84 applications. For other chassis makes, the FA6B-A67 is designed for the leftside opening on Allison 1000/2000 series transmissions.

BENEFITS & TECHNICAL INFORMATION

- Compact Design
- Input Gear for the 2011 Isuzu NPR EcoMax chassis with A460 Transmission
- Allow installation on narrow frame rail chassis
- Clutch Shift PTO
- Exclusively for Automatic Transmissions
- Leftside Opening Only

MODEL NUMBER CONSTRUCTION
