

MUNCIE POWER PRODUCTS

Product Bulletin #00080

Subject: LSHT Motors – New Inventory

Date: February 21, 2020

URL: www.munciepower.com

The Muncie low speed, high torque (LSHT) Motors are available and ready for purchase, effective 2/21/2020.

LSHT Motor Market / Applications Initiative

Muncie Power Products is pleased to announce a motor program with the most common configurations to meet the product pump, bulk feed, and spreader applications. The new motors are painted black vs the previous red color.
