## Product Bulletin #00117

### **Subject: Valve Obsolescence**

Date: August 23, 2023

URL: [www.munciepower.com](http://www.munciepower.com)

---

Due to supplier product obsolescence, we have several valves and their related components that will be removed from our product offerings. This bulletin is to announce the obsolescence of these items. This is effective immediately.

The affected products are:

35T35898P1	ASCS-105 Combo II Air Valve
ASCS-105	Combo II Air Valve Console
57T38601	Console Housing (ASCS-105)
57T38602	Console Housing Side Plate (ASCS-105)
2010-0063A	Hoist Valve
2011-0016A	Navistar Console Assembly
D182PP2BCX3	Dump Body Valve
D182PP2BCX3B	Dump Body Valve Base
D182PP2PCC0	Dump Body Valve
D182PP2PCC0B	Dump Body Valve Base
D182MRVKIT	Manual Adjust RV Kit
35T38333	Relief Air Cylinder Assembly

For some of these items, there may still be remaining inventory. These items are available for sale until inventory has been depleted.

### **Documents Affected:**
